

**Chatham Rock Phosphate Limited
Consultation Hui – Thursday 18 April at 5pm
Whakamaharatanga Marae**

A group of 3 people representing Chatham Rock Phosphate Limited are coming to the island next week for consultation to complete Cultural Impact Assessments for a wider Environment Impact Assessments document that Chatham Rock Phosphate Ltd will use to apply for a marine consent for its operations.

They will be meeting with Ngati Mutunga o Wharekauri Iwi members on Thursday 18 April at 5pm at Whakamaharatanga Marae. Please attend this meeting if you are able so you can have input into this process.
