We would like our pānui to be as much about you as it is Iwi Trust business. Whanau we welcome, contributions from you. It can be anything you want to let our whānau know about e.g. hui, births, ngā mate, birthdays, the lot. And on that note, a big happy birthday to Aunty Kath Ruddick. Our kuia this year turned 96. Aunty Kath is the eldest daughter of Eruera Kamo. Born in 1919 Aunty Kath was raised by her kuia Granny Peti Kamo out at Pakawao. Aunty Kath now has a generation of great great grandchildren. Na Te Kaiwhakahaere

Ki a tātou nei ngā whānau o Ngāti Mutunga o Wharekauri - anei ngā korero o te Ngāti Mutunga o Wharekauri Iwi Trust

Kiaora whānau.

I firstly take the opportunity to mihi to our island whānau who have sadly passed since our last panui. Our thoughts and love are extended to the Preece, Tuuta, Pirika and Solomon whānau. Farewell to our beloved rangatira and whānaunga.

Haere koutou ki te kainga na te Atua i hanga. Haere ki te putahitanga a Rehua – te huihuinga o nga tini mano. Moe mai ra te moe roa. Our mandate to settle our long-standing treaty grievances with the Crown has been recognised. Whānau, we made commitments to you when we came out a year ago to seek mandate from you. These included:

- Wānanga with you to detail the extent of our grievances and settlement expectations
- Discussing negotiators with you
- Setting out a timeframe for completion
- Setting out a timeframe for continuous engagement with you during the course of settlement negotiations

We held a series of wānanga with you from Saturday 20 June 2015 right through to Wednesday 15 July. We were fortunate enough to have the Minister of Treaty Settlements, the Hon Chris Finlayson and Chief Crown Negotiator Fran Wilde join us for a whakangahau at Whakamaharatanga on 15 July. To our Taiaha warriors, we are so proud and honoured to have you supporting Aunty Raana’s karanga at the powhiri.

We’ve been engaged in a Reo and Education Strategy development process, working closely with Ministry of Education and Te Taura Whiri. We presently have draft documents at the board table. Whanau, until consultation with you all has been completed, both strategies will remain in draft.

Our series of Reo wananga have engaged a wide number of participants, and we mihi to the regular whanau who continue on their reo journey.

We have been running our Taiaha wananga for the last few years and the Tāne who attend are growing in confidence and skill, and their enthusiasm is a real compliment to their kaiako.

Ngati Mutunga O Wharekauri Iwi Trust has been working closely with the Chatham Island Solutions and is presently at the key stakeholders as a draft awaiting community hui for feedback. This is exciting Kaupapa which will meet our housing needs of those wishing to make Wharekauri their home.

On a final note, at our Ngāti Mutunga hui at Urenui pa on Saturday 11 July we were fortunate enough to spend the afternoon with our whanaunga practising for Tu Mai Taranaki. We learnt 2 waiata and had a great time. A big thanks from our Wharekauri ope to our Urenui cousins for the wonderful afternoon we had with you. This should be what our settlement is really about – getting the resources so we can focus on what brings us together – our tikanga, waiata, Mutungatanga.

Lastly, if you are not receiving our regular e-mail based pānui please let us know. Panui come out on a regular basis and are a wonderful way to be kept up to date in a short time frame. Also, if you have changed address, or email address please contact our office so we can update our database. Email Jo at iwitrust@nmow.iwi.nz.

Ngā mihi

Treaty Settlement Update

Tena tātou katōa whānau.

We have officially become the Ngāti Mutunga o Wharekauri Settlement Governance Group (‘SGG’). Our structure is in the accompanying table. As the chair of the Iwi Trust has reported, we have mandate recognition. This is of course a momentous occasion. But it’s only the beginning. The real work now begins.

You’ll have seen the members of the SGG during our wānanga rounds with you last month. These hui were significant in that we are delivering on our promise to hui with you to determine what our settlement could look like.

During the course of the wananga we asked for nominations for both negotiators and for additional SGG members. The SGG received 6 negotiator nominations and 4 SGG nominations which will be collated for a meeting with the Iwi Trust to finalise who our people will be. All the nominees are Ngāti Mutunga o Wharekauri whanau. Pleasingly we have a reasonable mix of on-island and New Zealand based nominations. This mix of our Ngāti Mutunga Iwi will be essential in ensuring our negotiation and settlement is robust.

It was noted during the course of our wānanga rounds, that many of you were asking for more frequent hui to discuss the various aspects of the settlement. What was appreciated was the rigorous discussion we had with our whanau on return to Wharekauri.

The other theme that came through was a strong message to improve our communications with you. We’ve taken a look at our website and agree it needs a revamp to improve the ease of accessing settlement publications; this will be underway in the near future.

During the wananga we outlined to you the five ‘pou’ of our settlement claim. These were:

Focus on our Iwi	Tātou Ake
Reconnection to sea, land, and people	Herenga Moana, Herenga Motu, Herenga Tangata
Cultural revitalisation and development	Ngāti Mutungatanga
Ngāti Mutunga o Wharekauri /Crown Relationship	Tino Rangatiratanga
Economic Development	Hanga te Whare o Ngāti Mutunga

During our wananga we asked you to signal where you think you may be able to help us. There are a number of roles outside of negotiation that will require filling. These may include:

- Historian for our historic account
- Resource management specialists
- Economic development specialists
- Legal advise for our post settlement governance entity (PSGE)
- Social and cultural development adviser

If you have any of these types of skills can you let us know now. You can send through your CV etc to the Iwi Trust office. Obviously utilising our whanau skills in these roles where possible will ensure a very robust case is put forward to the Crown.
