Commercial Redress

Customary Fishing

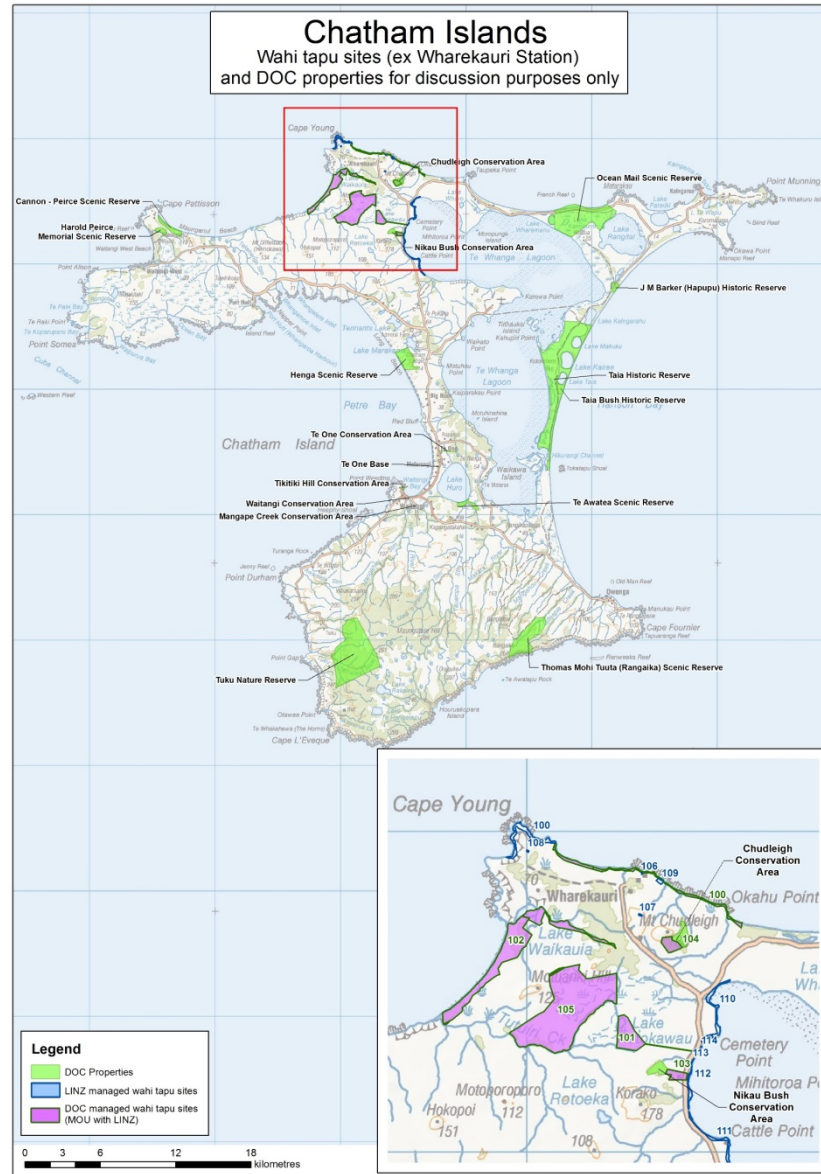

- MPI have agreed to draft new Customary Fishing Regulations for Wharekauri
- Kaitiaki appointed by PSGEs individually
- All Kaitiaki co-ordinate authorisation 'policies'
- A Kaitiaki can authorise customary fishing by members of either iwi and residents
- Existing rahui areas to be reviewed and re-assessed

Resource Management Act

- Proposal is for the Regional Plan and Policy Statements for the application of the RMA to Chatham Islands would be developed by a Planning Committee comprising 50% Council Representation, 25% Ngāti Mutunga o Wharekauri and 25% Moriori.
- Council has final say but other examples eg Wellington RC have adopted the Plans drawn up by Committees without change
- Possible initial Crown funding for Committee structure

Overlapping Claims (Wāhi tapu, Te Whanga)

Overlapping Claims (Te Whānga)

- 50:50 ownership of the bed of the lagoon proposed
- Possible inclusion of Wharekauri marginal strip
- Establishment of a Management Arrangement with Moriori, Ngāti Mutunga o Wharekauri, Council and DoC representation
- Modelled on a simplified version of arrangements over Te Waihora

Questions and Comments

- Additional aspirations?
- Additional values to be recognised and protected?
