Lead Negotiator
Ngati Mutunga o Wharekauri Treaty Claims

Tena ko,

DIVISION OF WAITEKI LANDS

I am writing to you in respect to the letter sent to us both by Sam Ritchie from Te Arawhiti dated 23 April 2020 regarding the division of the lands in Waitangi.

As you will recall, I last wrote to you about this matter on 29 December 2019 and attached a map with a proposed subdivision of the land between Moriori and Ngati Mutunga o Wharekauri. A map of the proposed boundaries was also attached. I did not receive a reply to that letter. I have attached both the letter and the map for ease of reference.

We propose that the land in Waitangi (Lot 6) be divided in accordance with the **attached** map with the southern section being allocated to Moriori and the northern section to Ngati Mutunga. This makes sense in that our DOS provides for the allocation to MIST of Lot 1 which is contiguous to the southern boundary and the remaining lots 2-5 (presumably being offered to NMOW), contiguous to the northern section.

We look forward to your early response.

Tau atu ra,

Maui Solomon
